

Reclaim the Night

Friday 31st October

Women Unite!
March • rally • entertainment

March starts at 7:30pm sharp

Meet 7:00pm at Wellington Street Forecourt
(grassed area in front of Perth train station—
opposite Forest Chase)

Rally at 8:00pm in Stirling Gardens (near
kangaroo sculptures). The rally will include
speeches, stalls, entertainment and more.

Reclaim the Night represents a claim for women's basic
human right to live in freedom from the fear of violence.
We protest for women to have the right to walk freely at
night, free from the threat of rape and sexual violence.

The march and rally are for women and children only. This
policy was not made with intention of excluding men, but
rather to ensure the inclusion of ALL women.

If you need an Auslan interpreter, please let us know by
the 15th October so that we can book one for the rally.
The event and workshops are all wheelchair accessible.

A month of lead-in workshops have also been planned:

Wednesday 1st October from 6:30-8:00pm

Intergenerational women's story sharing: Lotteries House

Friday 10th October (ring or email to confirm event time)
